NEW LIFE THROUGH  
SHARED MINISTRY  
Moving from Volunteering to Mission  
Foreword by Robert M. Schwartz

**Title: New Life through Shared Ministry: Moving from Volunteering to Mission**

**Author Judith A. Urban**

Judith Urban creates a pathway for building a shared ministry system. She assists readers in transforming their congregation into one where members are invited into volunteer ministry; people are matched according to their gifts and interests with ministry opportunities; volunteers are offered support, training, and appreciation; and all grow to spiritual maturity through that ministry. [This comprehensive guide](#) is based on Urban's consulting, training, and planning with shared ministry directors and teams the past 12 years, her experience building a shared ministry system in a congregation, and her own studies in the field of volunteer management.
